

Household Hazardous Waste and E-Waste Collection Event
Chancellor Recycling Center
5917 Harrison Road, Fredericksburg, VA 22407
Saturday, April 8, 2017
8 a.m. – 4 p.m.

The EPA considers any material that is toxic, corrosive, chemically active, ignitable or explosive as a hazardous material. Many of these items are found throughout the home and garage. Proper use and disposal of these items is vital for the safety of your family and the environment. It is ILLEGAL to dump hazardous materials on the ground or down storm sewers.

Typical acceptable materials include:

- home, lawn and garden chemicals used for pest, insect and weed control
- automotive fuel, gas additives
- flammable cleaning solvents such as turpentine, varsol, mineral spirits, parts cleaners, floor strippers, rug cleaners, and spot removers
- lamp and heating oil
- corrosives such as muriatic acid, and oven or drain cleaners with lye
- swimming pool additives
- photo chemicals
- thermometers, thermostats, and barometers containing mercury
- oil based paint, varnish, stains, polyurethane

You may recycle your latex paint at all of our Convenience Sites any time during the year. For more information, call 540-507-7725.

The HHW program **DOES NOT ACCEPT:**

- asbestos products
- ammunition or explosives
- prescription medications
- radioactive material
- medical wastes

Computers/Electronics

What is "E-Waste"? A clever word used to describe any electronic/computer items ready for disposal/recycling. Electronic waste, or e-waste, is growing rapidly given the faster rate of obsolescence of electronic equipment. Spotsylvania residential households can recycle computers and other electronic items at the County's HHW event or at any local Goodwill store. For more information regarding E-Waste and alternatives for disposal, please visit the Department of Environmental Quality website: www.deq.virginia.gov/ecycling

Items accepted include:

- old or unwanted central processing units
- hard drives
- keyboards
- desktop printers
- laptop computers
- scanners
- computer mice
- Other peripheral computer equipment.
- TV's, DVD's, and other electronics.

***Hazardous Wastes and E-Waste
will not be accepted from Businesses.***

***Proof of Spotsylvania County Residency
will be verified.***

***For more about this event,
contact Public Works at 540-507-7725.***

Goodwill Industries will recycle the Old Computer Equipment. Go to www.goodwill.org for more information.
